

A thousand years (Christina Perri)

Heart beats

Colours and promises

How to be brave

How can I love when I'm afraid to

But watching you stand alone

All of my doubt, suddenly goes away

One step closer

I have died everyday, for you

Darling, don't be afraid,

I have loved you for a thousand years

I'll love you for a thousand

Time stands

Beauty in all she is

I will be brave

I will not let anything, take

What's standing in front of me

Every every hour has come to this

One step closer

I have died everyday, waiting for you

Darling, don't be

I have loved you for a thousand years

I'll love you for a thousand more

And all along I believed, I would you

Time has brought your heart to me, I have loved you for a thousand years

I'll love you for a thousand more

One step closer

One step closer

I have died everyday...

still

more

fall

waiting

fast

find

breath

somehow

away

afraid
