

## READING PRACTICE N°5 – II BIMESTRE

- **Ds. precisados:** Deduce relaciones lógicas y relaciones jerárquicas en textos escritos en inglés. Señala lugares, a partir de indicios **en el** texto.

### **Read and match.**

- |  |                                       |               |
|--|---------------------------------------|---------------|
| 1 If you want some fresh bread, go there.                          | <input checked="" type="checkbox"/> f | a butcher's   |
| 2 This is where you go for meat.                                   | <input type="checkbox"/>              | b barber's    |
| 3 If you have a headache, they can help you there.                 | <input type="checkbox"/>              | c tailor's    |
| 4 This is where you can get a new table.                           | <input type="checkbox"/>              | d chemist's   |
| 5 You can buy a new jacket there.                                  | <input type="checkbox"/>              | e grocer's    |
| 6 This is where you go for sugar, coffee and tins of beans.        | <input type="checkbox"/>              | f baker's     |
| 7 If you're getting married, you'll need to go there for the ring. | <input type="checkbox"/>              | g carpenter's |
| 8 Is your hair too long? Perhaps you should go there!              | <input type="checkbox"/>              | h jeweller's  |

### **Which of the shops from Activity 1 are these people in?**

'Can I have a chicken and a kilo of meat?'

butcher's

'Do you have any chocolate cakes, please?'

'How much are those bananas, please?'

'That bracelet is beautiful. How much is it?'

'I also need six chairs.'

'Can I have a haircut, please?'
