CITIZENSHIP

Citizenship is being a **Good** member of your community, following rules, and helping others. World citizenship is the sense of solidarity between citizens of the entire world, is increasingly important in contemporary society. As we become more connected and interact with many different peoples, world citizenship teaches people of all ages not only to understand these differences, but also to accept them.

My name is Andy, I am from Ecuador and I live in Quito, I am 10 years old, I love playing soccer and eating hamburgers, I am **short and fat**. Josh is my best friend, he is from Peru, he is 11 years old, he likes soccer and swimming too. Susie is from Nigeria, she is 12 years old, he likes basketball and volleyball, she is **tall and thin**

Although we are from different countries, and with different physical characteristics, we are good friends and we live in the same country, ECUADOR, and therefore we have the same rights, duties and obligations.
