

I CHOOSE (Alessia Cara)

All my life I _____ I was right
Looking for something _____
Stuck in my ways like old fashioned _____
But all the _____ led me to you.

The house that you live in don't make it a _____
But feeling lonely don't mean you're _____
People in _____, they will come and they'll leave
But if I had a choice I know _____ I would be.

Through the lows and the highs, I will _____ by your side
There's no need for goodbyes, now I'm seeing the _____
When the sky turns to _____ and there's nothing to say
At the end of the day, I choose _____.

Now I found the strength to make a _____
And look at the magic I _____
No matter the name or where you came _____
'Cause no one has much figured out.

The house that you live in don't make it a _____
But I finally found the place I feel I belong
And I know you'll be there with wide _____ arms.
