## Perú en América del Sur

El continente en el cual vivimos se llama América del Sur y está formado por muchos países. Escribe el nombre de cada país que conforma AMÉRICA DEL SUR. Luego, colorea tu país.

A black and white outline map of South America. The continent is divided into 13 numbered regions. Region 1 is the largest, occupying the central and southern part. Region 2 is the large northern country. Region 3 is a central country. Region 4 is a long, narrow country on the western coast. Region 5 is a large country in the northwest. Region 6 is a small country on the western coast. Region 7 is a small country in the north. Region 8 is a small country in the northeast. Region 9 is a small country in the east. Region 10 is a country on the western coast. Region 11 is a small country in the north. Region 12 is a small country in the east. Region 13 is a large country in the north. To the right of the map are two columns of numbered lines for labeling the regions.
