

English: Reading and Comprehension

My pet rat, Allen

I have a pet rat. His name is Allen.

He is black with white spots. He has a long black tail. He eats

carrots, apples and pellets. Pellets are made for rats to eat so that they stay healthy. Pellets are made of grass. Allen picks up the pellets with his paws to eat them. He also drinks water from his bottle. He likes to climb onto my hand and run up my arm. He sits on my shoulder and tickles my ear. Allen and I are good friends.
