Complete the questions with HOW MUCH or HOW MANY:

Benny: Hello, Christophe!! How are you? May I ask you some questions about your restaurant?

Christophe: Sure! Go ahead!

Benny: _____ tables are there in your restaurant?

Christophe: There are twenty four.

Benny: Oh, that's a lot! So you need a lot of ingredients to prepare the dishes.

For example, _____ potatoes do you need a week?

Christophe: Potatoes? Well, we need about 80 kilos of potatoes.

Benny: Wow, and _____ flour do you buy a week?

Christophe: We usually buy 30 kg of flour a week.

Benny: And _____ oil do you usually use a week?

Christophe: We buy 20 litres of oil every week.

Benny: And what about wine, _____ wine do you buy a week?

Christophe: Oh, that's a difficult question! Let's say that we buy 200 bottles of wine a week.

Benny: And for desserts, _____ apples, for example, do you buy?

Christophe: We usually buy about 100 kg of fruit every week, apples, bananas, grapes, strawberries, kiwis, lemons, etc.

Benny: Thank you, Christophe!!
