Because I \_\_\_\_\_ fro Atlanta at 7 am tomorrow, I'll go to bed early.

Use the verbs in parentheses to form nouns.

Peter always wanted to have a piece of the \_\_\_\_\_ (act), so when he found out that the local theatrical group was going to put up a new play, he offered to help. In order for them to go on with the \_\_\_\_\_ (perform), they had to make \_\_\_\_\_ (alter) to the main stage and scenery. They also had to make plans for the \_\_\_\_\_ (transform) of the stalls because the play was interactive and the \_\_\_\_\_ (assist) of the audience was absolutely necessary. Their wight months of effort paid off, though, because both the critics and the audience's \_\_\_\_\_ (react) couldn't have been more enthusiastic.
