A Day at an Elephant Home 🗣️

My name is Tanga. I'm a middle school student in South Africa. 🗣️

Last Saturday, my volunteer club went to an elephant home near my school. 🗣️

There were many poor elephants in the elephant home. We helped them. 🗣️

Our day started early. First, we fed the elephants. 🗣️

Elephants eat a lot, so we brought a lot of food to them. 🗣️

There was one baby elephant. I fed milk to him. He was so cute! 🗣️

Next, we cleaned up elephant dung. 🗣️

My friends didn't like this job, but it was OK for me. 🗣️

The smell wasn't that bad. 🗣️

I also learned a fun fact about elephant dung. 🗣️

People make paper from it. 🗣️

Elephant dung paper! 🗣️

How interesting! 🗣️

After lunch, we took the elephants to a pond for a mud bath. 🗣️

Elephants' skin is very sensitive, and mud protects it from the sun. 🔊

Their bath time was my favorite part of the day. 🔊

We didn't do much. We just played with the elephants. 🔊

Everybody laughed a lot. Our work was over around six. 🔊

I was tired but very happy. 🔊
