## Let's count pets!

Look at the picture. Count and write the <u>number</u> of each pet.

| Insects | \(\frac{13}{2}\) |
|---------|------------------|
| Fish    |                  |
| Birds   |                  |
| Cats    |                  |
| Dogs    |                  |
