I. Read the following text/ Lea el siguiente texto. Abajo del texto encontrará un vocabulario para entenderlo mejor.

Hello, my name is Sandra an I live in Santiago. I am a Maths teacher and I am going to talk about my routine in this pandemic.

I **Usually** get up at 8 o'clock . After getting a shower and having breakfast, I turn my computer on and start my virtual lessons. **Sometimes** I use the software called "meet" to make videocalls. Other teachers prefer to use "Zoom"I have lessons with each grade only once a week because of the lousy internet connection.

My students **often** have problems with their internet, so the students that **always** attend my lessons are few. **Generally**, I send them the learning material via whatsapp. They **frequently** ask me to explain them the exercises through that social media. It is a Little difficult to do so because we are not seeing each other's faces.

In spite of all the difficulties, I **never** give up on my wish to do my best to help my students.
