Teller	Sajad

Good morning. May I help you?	Do you want to make a deposit today?
Anything else I can do for you today?	Is my passport okay?
What's the difference?	Which one is good for paying bills?
I'll also need two pieces with your signature.	A savings account or a chequing account?
Can I open a chequing account then, please?	I'll need one piece with your picture.
Yes, please - two hundred dollars.	I don't have a driver's licence.
