A typical school day

Well, my new school's cool! Let me tell you about a typical school day. I get up at 7:00 am and have a big breakfast, then I catch the bus to school. I love it because I chat with my new friends on the journey! School starts at 9 am. We have four lessons in the morning, then I usually have lunch in the school canteen. The food there isn't great but it's OK! After lunch, it's more lessons. Then, I often have volleyball practice. You can see my team in the picture. We're playing a match!

In the evening, I do my homework and have dinner, then chat with my friends online.

Well, better go now! What about you, bloggers? What's your typical school day like?
