

**Someone You Loved** (Lewis Capaldi)

I'm going under and this   
I fear there's no one to save me  
This all or nothing really  
got a way of driving me   
I need somebody to heal,  
somebody to   
Somebody to have, somebody to  
  
It's easy to say,  
but it's never the same  
I guess I kinda liked the way  
you numbed all the   
Now the day bleeds into the nightfall  
And you're not here

KNOW

PAIN

TIME

CRAZY

HOLD

to get me through it all  
let my guard down  
and then you pulled the   
was getting kinda  
used to being someone you loved  
I'm going under and this time  
I fear there's no one to turn to  
This all or  way of loving  
got me sleeping without you  
Now, I need somebody to know,  
somebody to heal, somebody to have,  
just to know how it   
It's easy to say, but it's never the same  
I guess I kinda liked the way  
you helped me   
Now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my  down and  
then you pulled the rug  
was getting kinda used  
to being someone you loved ...
