PRACTICA CALIFICADA: PIRÁMIDES NUMÉRICAS

1. Completa las pirámides numéricas de adición.

The image contains several numerical pyramids for a math exercise. Each pyramid has three levels: a top level with one box, a middle level with two boxes, and a bottom level with three boxes. The numbers are as follows:

- Top Pyramid:** Top box is empty. Middle boxes: 11, empty. Bottom boxes: empty, 1, 6.
- Left Pyramid 1:** Top box is empty. Middle boxes: 9, empty. Bottom boxes: 6, empty, 6.
- Left Pyramid 2:** Top box is empty. Middle boxes: empty, 18. Bottom boxes: 9, empty, 13.
- Right Pyramid 1:** Top box is empty. Middle boxes: 10, empty. Bottom boxes: 9, empty, 9.
- Right Pyramid 2:** Top box is empty. Middle boxes: empty, 15. Bottom boxes: 4, 4, empty.
- Bottom Left Pyramid 1:** Top box is empty. Middle boxes: 7, empty. Bottom boxes: empty, 2, 3.
- Bottom Left Pyramid 2:** Top box is empty. Middle boxes: 9, empty. Bottom boxes: 6, empty, 10.
