

ABOUT A TRIP

What was your holiday like?
Did you stay at a campsite or in a hotel?
That sounds great! What did you do at the lake?
So you had a lot of wind? What was the weather like?
Did you also go on a tour in the mountains?
Would you say this tour was the highlight?
Did you visit the city of Salzburg?
Awesome! Did you eat anything special in Salzburg?
No, I haven't. Did you like it?
Yummy! Did you visit the old castle high above the town?
Will you go there again next year? So you liked it?
And what about the key?
It seems that you had a fantastic holiday!

Just on that day there was some wind. The rest of the holiday the weather was wonderful – blue sky and high temperatures.
Imagine – it must have fallen into my dad's wellies when we packed everything out. As there was no rain my dad didn't need the wellies and so we didn't find the key. We were really happy when the key was found!
My parents have a caravan and so we stayed at a nice campsite at the lake – with mountains around us.
No, because it was already late afternoon and we had to get the bus back to the campsite. But maybe next year!
Yes, there is a local speciality in Salzburg – it is a dessert and called "Salzburger Nockerl". Have you ever heard of it?
Yes, definitely - in July. Everyone was friendly and helpful. One day my dad couldn't find his car key and everyone helped us to find it. Even the manager of the campsite was there to help us...
We went swimming, played volleyball and football and I also tried out windsurfing. But there was a bit too much wind for a beginner!
Yes, we did. We got on a tourist bus to get to the city and some famous places in Salzburg. There we went to a castle. In the castle park there were trick fountains – so we were all totally wet when we got out! Haha!
Yes, once. Some families of the campsite organised a guide. He was very friendly and we were happy to have an expert with us.
Yes, for sure. But another highlight was the city trip, for sure!
Yes, this holiday was perfect! The weather, the food, the people, the programme – simply everything!
Yes, it was really tasty. I hope my mum can bake that at home!
My holiday was great! We stayed at a lake near Salzburg.
