

# Future predictions: will - won't

93

**Remember:** We use 'will' or 'll' to talk about the future and make **future predictions**. For the negative, we can say 'will not' or 'won't'.

**What do you think?** Write 'will' or 'won't' in the sentences to make predictions.

a. Children **won't** go to school in the future.

b. I **will** go to university.

c. In the future, people **will** grow and make all their own food.

d. I **will** live in a different country one day.

e. We **will** have a robot to do all the household jobs in the future.

f. I **will** have the same friends in 10 years' time.

g. In the future, computer games **will** be downloaded into our heads!

h. When I grow up, I **will** be famous.

i. In the year 2040, we **will** go on holidays to Mars.

j. In 10 years time, people **will** travel by heli-buses.
