## WHAT'S YOUR **IDEAL PARTNER** LIKE?

**Amy27** My ideal partner is <sup>1</sup>**a** \_\_\_\_\_ and likes to try new things, visit exotic places, do extreme sports – that sort of thing. I tend to be a <sup>2</sup>**c** \_\_\_\_\_ person, who plans everything carefully and avoids taking risks, so I need someone who's the opposite of me. Perhaps I should date a skydiving instructor – that way I'd have some <sup>3</sup>**m** \_\_\_\_\_ experiences I'd never forget!

**LauraZ** Tough question, but, above all, he should be <sup>4</sup>**c** \_\_\_\_\_ and positive. You know, someone who makes me laugh and who's fun to be around. Oh, and being <sup>5</sup>**f** \_\_\_\_\_ is important, too, of course. I don't want my boyfriend to go out with anyone else! I also like people who are <sup>6</sup>**d** \_\_\_\_\_ and know what they want.

**Adam3X** I want her to surprise me from time to time – I'm tired of people with <sup>7</sup>**c** \_\_\_\_\_ attitudes, values, and tastes. I also like people who can make me think. You know, I enjoy discussing <sup>8</sup>**c** \_\_\_\_\_ topics, and I like it when my partner and I disagree on things. Oh, and I hope we meet by accident. I don't want to find love on a dating app.

**Jas82** I've been married for eleven years, and my husband and I have a great relationship. He has most of the qualities I find <sup>9</sup>**d** \_\_\_\_\_ in a partner: He's fair and <sup>10</sup>**r** \_\_\_\_\_, and always makes logical decisions. And he wants to be successful, which is great.

**Micky44** My ideal partner? Easy – my wife, Gloria. I really admire her. She's a very talented artist, with an <sup>11</sup>**i** \_\_\_\_\_ body of work for a young person. Her paintings are really <sup>12</sup>**c** \_\_\_\_\_. Surprisingly, she's not <sup>13</sup>**a** \_\_\_\_\_, but she's been very successful for someone her age.
