### Being a good citizen

Good citizens are kind and helpful people in their communities; you can be a good citizen keeping your community clean for example.

Look at these girls, one is helping the old woman and the other is painting on the walls of the street. Which girl is a good citizen?

Now look at these children one boy is pushing his friend and the other is sharing his toy to another boy.

The girl is throwing the trash in the bin but the boy is throwing some paper on the ground, who is a good citizen in this picture? The boy or the girl.

**Choose an option according to your opinion.**

- a. The children are not good citizens.
