

Grade 6 – Types of Nouns

Choose the type of noun that suits each description.

_____ are the names of *specific* people, places or things.

_____ are made with an apostrophe and s or just an apostrophe at the end and show *ownership*.

_____ are nouns that are made up of *two other words* that can be used on their own.

_____ are the *general* names for people, places or things.

_____ are the names of groups of people or things.

_____ are usually the names of *emotions*, things you cannot see or touch.

Identify each type of noun in the sentences:

Jane went down the flight of stairs in a dizzy panic.

The boys attend Tatum House in Worcester.

The bottle's lid flew off and a swarm of locusts rushed out.

A beautiful troop of baboons live in the Kruger National Park.

Gareth's mother is a woman of integrity and loyalty.

We will visit Spain, Greece, Italy and France on our European tour.

Rolly was one of Venice's classmates at Princess Pine Preschool.

Have you ever thought of joining Ken and becoming a cowboy?

Reflection

Think about what you have learned about nouns.

After today's lesson I am an expert in describing the following types of nouns:

I have no trouble identifying these types of nouns:

Describing these types of nouns is still a little tricky:

The areas I need to work on to become a specialist on nouns are:
