My special free-time activity

1

My dad and I collect books.

2

Because I love them. I read a lot.

3

Yes, I've got a copy of The Hunger Games by Suzanne Collins. People pay thousands of dollars for this book now.

4

Because it's very popular, especially because of the film. But this copy isn't easy to find. It's a first edition. It's got the author's signature. Now there are millions of copies of The Hunger Games in the world. But there aren't millions of copies of the first edition, or thousands of copies with the author's signature.

5

On one of the first pages, English or American books usually have a list of numbers. For example, 10987654321, or 24681097531. When the list has the number 1, it's a first edition.

6

No, it doesn't. When a book has a name in it, other people don't want it. But that isn't very important to me. This book is special for me because I love the story. I only collect books that I love.
