

JUST Like Fire

Pink

I know that I'm running out of _____
I want it all, mmm, mmm
And I'm wishing they'd stop tryna turn me off
I want it on, mmm, mmm

And I'm walking on a wire, trying to go higher
Feels _____ I'm surrounded by clowns and liars
Even when I give it all away
I want it all, mmm, mmm

We came here to run it, run it, run it (X2)

{CHORUS}

Just like _____, burning up the way
If I can light the world up for just one day
_____ this madness, colorful charade
No one can be just like me anyway
Just like _____, I'll be flying free
I'mma disappear when they come for me
I kick that _____, what you gonna say?
No one can be just like me anyway
_____ like fire, uh

And people like to laugh at you 'cause they are all the _____, mmm,
mmm
See I would rather we just go a different way than play the game mm, mm

And no matter the _____, we can do it better
You and me together, forever and ever
We don't have to worry 'bout a thing,
About a thing

We came here to _____ it, run it, run it (X2)

{CHORUS}

Just like fire, fire, fire
Run it, run it, run it
We came _____ to run it, run it, run it

Listen to the song 

and fill in the blanks.

So look I came here to run it
Just 'cause _____'s done it
Y'all don't think I can run it
But look, I've been here, I've done it
Impossible? _____
Watch I do it with ease
You just gotta believe
Come on, come on with _____

Oh, what's a girl to do? (X4)

Just like fire, burning up the way
If I can _____ the world up for just one day
Watch this madness, colorful charade
No one can be just like me anyway

{CHORUS}
