Happier

Marshmello ft. Bastille

Listen to the song

and fill in the blanks.

Lately, I've been, I've been _____
I want you to be happier, I want you to be happier

When the morning comes
When we see what we've _____
In the cold light of day we're a flame in the wind
Not the fire that we've begun
Every argument, every _____ we can't take back
'Cause with the all that has happened
I think that we both know the way that the _____ ends

Then only for a minute
I want to _____ my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I'll have to _____

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

When the evening _____
And I'm left there with my thoughts
And the image of you being with someone else
Well, that's eating me up _____
But we run our course, we pretend that we're _____
Now if we jump together at least we can swim
Far away from the wreck we made

Then only for a _____
I want to change my mind
'Cause this just don't feel right to me
I want to raise your _____
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
_____, I've been, I've been thinking
I want you to be happier, I want you to be happier

So I'll go, I'll go
I will go, go, go
So I'll go, I'll go
I will go, go, go

Lately, I've been, I've been thinking
I want you to be happier, I want you to be _____
Even though I might not like this
I think that you'll be happier, I want you to be happier

Then only for a minute (only for a minute)
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you _____ but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

So _____ 'll go, I'll go
I will go, go, go
