

# Where does he work?

100

Where does he work?

Where does he work?

He works in a police station.

Where does she work?

She works in a hospital.

**Where does he work?** is a wh- question. We use **where** to ask about a place. We use **does** to make questions with **he**, **she** and **it** in the present simple. The word order changes in questions.

**Statement**

He works ...

She works ...

It works ...

**Question**

Where **does** he work?

Where **does** she work?

Where **does** it work?

Remember the **s** on the end of the verb with **he**, **she** and **it** in statements in the present simple.
