

# Can't take my eyes off you!

**A listen and fill in the gaps. The clues will help you.**

You're just too            to be true    (the opposite of bad)

Can't take my            off of you

You 'd be like Heaven to touch

I wanna hold you so much

At            last, love has arrived    (opposite of short)

And I thank God I'm alive

You're just too            to be true    ( opposite of bad)

Can't take my            off of you    ( you can see with them)

**B Use the words in the box.**

Pardon the            that I stare

There's nothing            to compare

The sight of you leaves me            .

There are no            left to speak

But if you feel            I feel

Please let me know that it's real

You're just too good to be true

Can't take my eyes off of you.

else

words

like

know

weak

words

way

**C Listen and write the word you hear in the gap.**

I            you, baby

And if it's quite alright

I            you, baby

To warm the lonely            .

I love you, baby

Trust in me when I say

Oh,            baby

Don't bring me down, I pray

Oh, pretty baby

Now that I've found            , stay

And let me love you, baby

Let me love you

You're just too good to be true

Can't...
