The people below all want to exchange their homes for one in London for a month. On the opposite page are advertisements for eight homes in London. Decide which home would be the most suitable for the following people.

- 1 Fernando and Manuela would like to be in a central location where they can enjoy views of the city centre. They are hoping to see several musicals. Manuela doesn't like cats.

- 2 Ben and Lynne want a house where they can drive to places outside London and learn about how people used to live. Their two sons want to be able to play tennis and go swimming. They don't mind pets.

- 3 Claire and Tom have two young children. They are an active family who want to see both the countryside and central London. They don't have a car so will need to use other transport.

- 4 Anne wants to learn about the history of art and watch plays. She'd like a safe and peaceful home close to the centre. She has pets at home.

- 5 Andre and Lionel are flatmates. They want to go out dancing and try food from different countries. Exercising regularly is important to them.
