Read the story and answer the questions.

Amy and Jon have some friends named Sarah and Andrew. Sarah is Amy's friend. She goes to school with Amy and they hang out together on the weekends . When Amy first met Jon, she talked to Sarah. and she told Sarah all about Jon when she was getting to know him. Sarah helped her shop for a dress when they went on their second date. As the romance developed, Amy told her friend everything about Jon ,and Sarah was dying to meet him.

Jon and Andrew are great friends. Jon always talks to Andrew about his problems. When Jon was nervous about his first date with Amy, he told Andrew that he was into her. And when he was head over heels in love with her, he told Andrew about it, and when they broke up, he told Andrew about it too. Andrew knew everything about Jon's relationship.

Jon was also a good friend to Andrew. When Andrew lost his job, Jon made him feel better, and when he got a job. Jon was the first to congratulate him.

During the romance, Sarah and Andrew also never met each other either. They were both surprised when one day, their friends told them that they were breaking up. Amy was angry because Jon forgot their anniversary. He couldn't make it up to her. Jon was upset because it was over. Now their friends are unhappy, and Sarah and Andrew don't know what to do? They both hope that Jon can win Amy back.
