Teenage model

Ceri Palmer used to be the (1) of a magazine for teenagers and EDIT
has made several (2) on TV. She recently added 'designer' to her APPEAR
growing list of (3) Ceri's experience in the magazine industry ACHIEVE
means she has lots of advice on starting a career in (4): MODEL
'A lot of the most (5) girls and boys become models because SUCCESS
they are spotted on the street by the owner of an (6) But this is AGENT
(7) to happen to many people, so you should send your photos LIKELY
to an agent instead. Don't pay to have photos taken (8) — PROFESSION
if an agent likes you, they'll organise this. You may find it (9) SURPRISE
to hear that models don't need to be really good-looking. Your (10) HIGH
and your look matter more. Finally, schools for models are (11) EXPENSE
and a waste of money, in my opinion.'

IMAGES SEEN FROM THE SKY

If you flew over the desert in Peru, you'd notice huge (1) DRAW
the sand below you. These include images of animals, such as a whale that is the
(2) of a real blue whale, and a bird the size of a jet LONG
plane. These (3) pictures are over 2,000 years old but were MYSTERY
only 'discovered' about 80 years ago. Since then, they have attracted
(4) attention, and there have been many theories WORLD
concerning the (5) about their origins. At one point, TRUE
someone even came up with the (6) idea that they had been ORDINARY
created by space now know that an ancient people called aliens. However,
(7) now know that an ancient called the Nazca created these SCIENCE
(8) images not as pieces of art but in an attempt to IMPRESS
(9) the survival of their people in a dry climate. The Nazca SURE
needed water for their fields and villages, and around 1,500 years ago there was a
long period of no rain. They would have suffered (10) and it CONSIDER
is now thought their (11) was to create the images in order SOLVE
to ask their mountain and water gods to send rain. The images had to be huge — so
that they could be seen from the sky!
