KELLY

Hello. My name's Kelly. This is my family tree. I've got a baby brother. His name's Sam. My mother's parents are my grandparents. Their names are Peter and Alice. They've got three children, one daughter and two sons. Their daughter is my mother. Her name's Jane. My father's called Jack. My mother's brothers are called Alex and David. Uncle Alex is married to Silvia. They've got one child called Tom. Tom is my cousin. Uncle David is married to Lucy and they've got two children called Ann and Kim. Ann and Kim are sisters and they're also my cousins. Silvia and Lucy are my aunts. They're very nice. I love my family.
