Just because everything's changing

All you do is try to know who your friends are

As you head off to the war

Pick a star the dark horizon

And follow the light

No need to say

You'll come back when it's over

No need to say goodbye

Now 're back to the beginning

It's just a feeling and no one knows yet

But just because can't feel it too

Doesn't mean that you have to forget

Let memories grow stronger and stronger

'Til they're before your

No need to say goodbye

You'll come back

When they call you
