

10th Listening p. 71

Listen to a discussion on a radio programme and choose the correct name for the sentence – Sam, James or Ann. Which person ...

- 1 thought Alison's parents were irresponsible?

- 2 wouldn't have cosmetic surgery unless it was safe?

- 3 believed surgery could have affected Alison's health?

- 4 said Alison didn't think about how serious surgery was?

- 5 thought Alison's mum could have done more to help her daughter?

10th Listening p. 71

Read the extracts from the programme. One word or expression in each line is wrong. Correct the words, then listen again and check your answers.

- ❶ We were talking about the upward trend in adult cosmetic surgery.

We were talking about the upward trend in

- ❷ Now she will stand out from all the other students.

Now she will

- ❸ What most people found interesting was the number of cosmetic procedures she had.

What most people found

- ❹ It might have had long-lasting positive effects on her.

It might have had long-lasting

- ❺ If looking good wasn't the main focus of teenage magazines and websites, there might be fewer teens with high self-esteem.

If looking good wasn't the main focus of teenage magazines and websites, there might be fewer teens with
