My mother's name is Mrs. Jaya Roy.

She is a teacher by profession and is a very friendly person by nature. She helps me in my studies and guides me while doing my school homework. She is the one who shows unconditional love towards me and takes care of me and the entire family.

My father says this often to my Mom that "You are a symbol of strength who holds the entire family together. I am proud of you."

She is a very caring person who showers love and affection on all the members of my family. I pray to God to keep her hale and hearty and protect her from any illness.

Count and write how many were there?
