

Everybody hurts

R.E.M.

When your day is short / long
And the night, the night is yours alone
When you're sure you've had enough / too much
Of this life, well hang on

Don't let yourself go / give up
'Cause everybody hurts / cries
And everybody hurts one day / sometimes

Sometimes everything is great / wrong
Now it's time to sing along
When your evening / day is night alone (Hold on, hold on)
If you feel like letting go / by (Hold on)
If you think you've had enough / too much
Of this life, well hang on

Everybody hurts / cries
Take comfort in your friends / family
Everybody hurts / cries
Don't throw your hand, oh no
Don't throw your ball / hand
If you feel like you're alone / lost
No, no, no, you are not alone

If you're on your own in this life / town
The days and nights are long
When you think you've had enough / too much
of this life to hang on

Well, all people / everybody hurts sometimes
Everybody hurts / cries
Everybody hurts sometimes
And everybody hurts every day / sometimes

So hold on, hold on, hold on, hold on, hold on, hold on, hold on
Everybody hurts
