My life is going on

Cecilia Krull

If I stay with you,
if I'm choosing right / wrong
I don't care at all / today
If I'm losing now,
but I'm winning next / late
That's all I want / need

Now we need some time / space
'cause I feel for you
And I wanna love / change
Growing up alone,
it seems so short / long
I can't explain

Whatever happens in the future,
trust in love / destiny
Don't try to make anything else,
even when you feel / want

I don't care at all,
I am here / lost
I don't care at all

Lost my time,
my world / life is going on

I will be so strong / fast,
looking for a new version of myself
'Cause now all I want
is to be a part
of my new home / world

Whatever happens in the future,
trust in destiny / love
Don't try to make anything else,
even when you want / feel

I don't care at all,
I am here / lost
I don't care at all

Why not have / get it all?
I am lone
I don't care at all
Lost my time,
my life is going on
