

Wonderful tonight

Eric Clapton

It's late in the afternoon / evening
she's wondering what dress / clothes to wear
She puts on her make-up and brushes her long blonde hair
And then she asks me, "Do I look all right / well?"
And I say, "Yes, you look wonderful tonight / today"

We go to a party / disco and everyone turns to see
This beautiful woman / lady that's walking around with me
And then she asks me, "Do you feel all right / well?"
And I say, "Yes, I feel wonderful today / tonight"

I feel wonderful because I know / see
The love light in your eyes / face

And the wonder / beauty of it all
Is that you just don't know / realize how much I love you

It's time to go home now and I've got an aching head / heart
So I give her the car keys / money and she helps me to bed
And then I tell her, as I turn out the light
I say, "My darling, you were wonderful today / tonight
Oh my darling, you were wonderful / beautiful tonight"
