

With or without you

U2

See the stone set in your face / eyes

See the thorn twist in your side / hand

I wait for you / night

Sleight of fingers / hand and twist of fate

On a bed of nails she makes me sleep / wait

And I wait without you

With or without you, with or without you

Through the storm / rain we reach the shore

You give it all but I want love / more

And I'm waiting for a day / you

With or without you, with or without you

I can't be / live

With or without you

And you give yourself away

And you give yourself away

And you give, and you give, and you give yourself away

My hands / legs are tied

My skin / body bruised, she's got me with

Nothing to win and

Nothing left to get / lose

And you give yourself away

And you give yourself away

And you give, and you give, and you give yourself away...
