

Introduction and writing numbers 11 to 20

❖ Listen and drag the correct number name:

This interface is designed for a listening exercise. It features five rows, each consisting of a circular speaker icon on the left and a rectangular blue box for dragging a label on the right. Below these rows is a horizontal bar containing five labels: 'Thirteen', 'Twenty', 'Sixteen', 'Nineteen', and 'Eleven'.

Speaker Icon	Drag Box

Thirteen Twenty Sixteen Nineteen Eleven

❖ Join the correct pair:

This interface is for a matching exercise. It displays two columns of text. The left column contains the words 'Seventeen', 'Fourteen', 'Twelve', 'Eighteen', and 'Fifteen'. The right column contains the numbers '12', '14', '18', '15', and '17'. Each word and number is followed by a small circular dot, indicating where a connection can be made.

Word	Number
Seventeen •	• 12
Fourteen •	• 14
Twelve •	• 18
Eighteen •	• 15
Fifteen •	• 17
