_____ is letting me show
A side of myself I _____ see

I'm wide awake now, I'm _____ of the doubt
Don't wanna look _____
And if I fall out, I lay on the ground
And look to the _____

It's like I got brand new _____, and I can finally see
What has always been right there in front of me

Couldn't let the _____ decide
All of the things that I can or can't do
What if I had taken all the _____
That _____ me and made them my truth
I'm wide awake now, I'm free of the _____
Don't wanna look down
And if I fall out, I lay on the _____
And look to the clouds
It's like I got brand new eyes, and I can finally _____
What has _____ been right there in front of me
And with these brand new eyes I'll take in _____
And I will _____ see me

broke

everything

I can finally see
I can finally see it
I can finally see
I can finally see it
