Last week Edward Lee from Detroit won \$11,000,000. That's the biggest prize in two years!

We spoke to Edward at his home yesterday.

"I'm very happy. I can't believe it!" he said.

What is Edward going to do with the money? "Oh, I don't know," he said. "First, I'm going to buy a new car. Then a house and car for my parents and houses for my five sisters. Then I'd like to travel, so I'm going to leave my job and go around the world."

Is Edward going to spend all his money? "Well, I'm going to spend some, save some, and I'm going to give some to Greenpeace," he said.
