

VISITING A FOREIGN CITY –

What are the best ways to get to know a foreign city – imagine you have about 10 days –

Museums

Shops

Sporting events

Theatre

Guided tours

Using the tourist information office

Knowing someone who lives there

Reading a lot before you go there

Just walking around without a plan

Speaking

Look at the pictures presented below. Answer the questions.

Awareness of the environment

Imagine you are responsible for developing a programme for children to teach them the importance of caring for the environment. Which of the following would you include and which would you consider the most effective and important?

Lectures and talks from conservationists

Visits to recycling plants

Prizes for drawing pictures about conservation

Going on countryside “cleaning-up” trips

Visiting places damaged by pollution

Learning to save electricity, water etc...

Going to Zoos

Visiting “green” businesses (organic farms, The Body Shop etc)

Talks from TV and music personalities who support

Conservation.

Doing projects and studies.
