## Grammar-Describing Words- Comparative Adjectives

**A. Look at the Grammar Box. Follow the rules to write the comparatives in the table.**

| | | | |
|---|---|---|---|
|  | a truck is | faster than | a horse |
| | trucks are | | horses |

Are trucks faster than horses? Yes they are

What is bigger than a mouse? A horse is bigger

To make a comparative, add -er: fast- faster

If it ends in -e, just add -r safe. safer

If it ends in -y, we change the y to i -er heavy. heavier

consonant vowel consonant: big- bigger hot hotter

| Normal... add -er | | Ending in e... just add -r | | Ending in y...change to i | | consonant vowel consonant | |
|---|---|---|---|---|---|---|---|
| strong | | safe | | heavy | | big | |
| slow | | nice | | easy | | hot | |
| fast | | late | | noisy | | sad | |

**B. Complete the sentences with the colours. Drag and drop the words.**

| | | | |
|---|---|---|---|
| gray | black | blue | red |

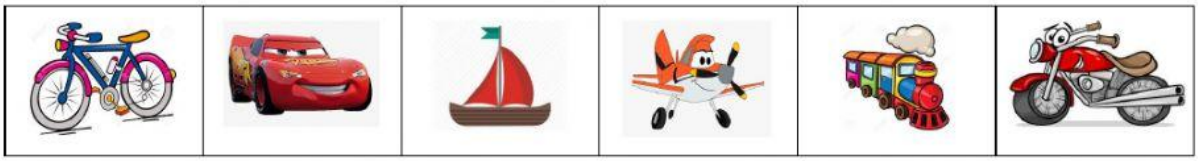

1. The _____ truck is bigger and newer.
2. The _____ truck is smaller and older.
3. The _____ horse is taller and heavier.
4. The _____ horse is shorter and lighter.

**C. Write! Fill in the blanks with the correct comparative adjectives. Look at the example.**

**Ex.** A rock band is *louder* than a bee. A bee is *quieter* than a rock band. (quiet/loud)

1. A truck is _____ than a horse. A horse is _____ than a truck. (big/small)
2. A bike is _____ than a car. A car is _____ than a bike (heavy/light)
3. A boat is _____ than an airplane. An airplane is _____ than a boat (slow/fast)
4. A train is _____ than a motorcycle. A motorcycle is _____ than a train. (long/short)

**D. Write the words in the correct order to make sentences**

| | | |
|---|---|---|
| Cars / faster / are / bikes / than | |  |
| are / than / older / Wagons / cars | | |
| trucks / than / Horses / quieter / are | | |
