

# The Hare and the Tortoise

A story from Greece

One day, Hare and Tortoise are in the park.

'I do athletics. I can run fast,' says Hare.

'You can't run fast.'

'I don't run. I walk, but I don't stop,' says Tortoise. 'Let's have a race!'

'OK,' says Hare.

The race starts. Hare runs and Tortoise walks. Soon, Hare is hot.

'Look! A swimming pool,' says Hare. He goes swimming. Then he sits down next to a tree.

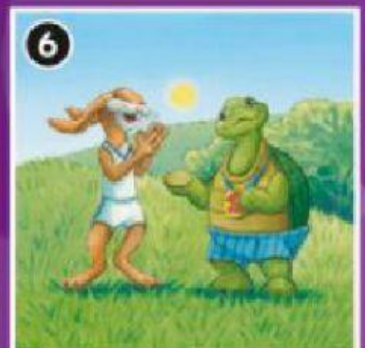

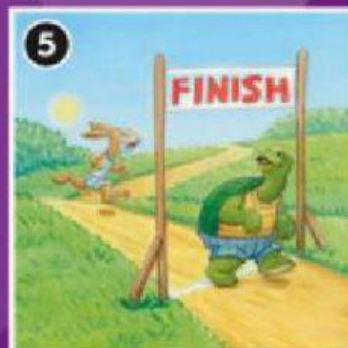

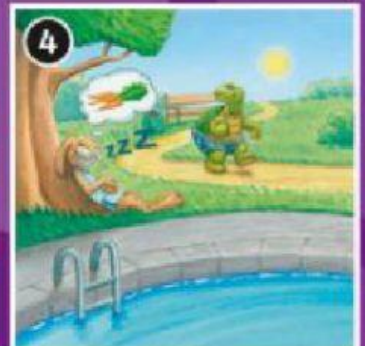

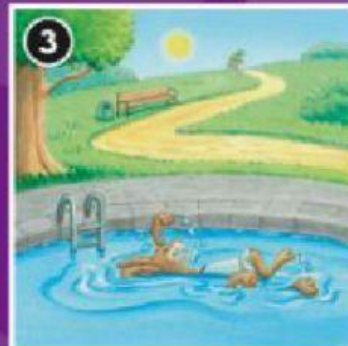

Tortoise walks and walks. Tortoise sees Hare, but Hare doesn't see Tortoise. Hare is asleep.

Later, Hare wakes up. He runs very fast, but it's too late.

'You're the winner, Tortoise,' says Hare.

'Well done.'

'Thank you,' says Tortoise. 'You can be slow and win.'
