

Asking Questions

Match the question word with their function.

What	To ask about a place
Who	To ask what is a thing or action
When	To ask about a person
Where	To ask about a time
Why	To ask a number or way something is done
How	To ask for a reason something happened

Put the words in correct order to form questions for the answers.

Remember: start the sentence with a capital letter
punctuation at the end of the sentence
