Dino Saves the Forest

Dino was a friendly dinosaur, but he didn't have anyone to talk to. He lived in a cave by a forest. The forest had many other animals, but they all stayed far away from Dino. They were worried that he wanted to eat them. Actually, they didn't need to be afraid because Dino only ate fruit and vegetables! Sometimes, poor Dino felt really sad.

One day, Dino was collecting fruit in the forest when he saw a fire. All the animals were trying to leave as fast as they could. It was terrible! Dino started to run away too, but then he thought, 'I'm the only one that can help. I have to do something!'

He quickly ran to the river and took lots of water in his mouth. Then, he ran back to the forest, and threw the water over the fire. Dino did this again and again, and soon the forest stopped burning.

The forest animals were very happy because their homes were safe. Now, they knew Dino wasn't dangerous and they all wanted to be his friend. 'Come and live with us in the forest,' a bear said to him. So, Dino left his cave and went to live in the forest with the other animals. They even gave Dino a special job – the forest fire fighter!
