

GIMNASIO BILINGÜE CAMPESTRE MARIE CURIE

Resolución de aprobación No. 647 del 28 de Noviembre de 2018 (SEC)
"Everything humankind has created originates within the mind so, develop your mind and it will make an invaluable contribution"

English final Exam Third Term

1. Look at the pictures and write the seasons into the squares. **Summer, Spring, fall and winter.**

Month and Seasons

1. What is the season?

The diagram is a circle divided into four equal quadrants by a vertical and a horizontal line. The top-left quadrant shows a tree with snow on its branches and several snowflakes falling. The top-right quadrant shows a tree with green leaves and a small blue bird. The bottom-left quadrant shows a tree with yellow leaves falling into a blue body of water. The bottom-right quadrant shows a tree with green leaves, a yellow flower, and a red mushroom. There are four empty rectangular boxes: one to the left of the top-left quadrant, one to the right of the top-right quadrant, one to the left of the bottom-left quadrant, and one to the right of the bottom-right quadrant.

2. Listen, number and write the answers.

What's the weather like?

It's _____
and _____.

3. Look at the pictures and choose the correct sentence.

- a. I build a snowman in the winter.
- b. I build a snowman in the spring
