

**- Match the short stories with the pictures.**

**1)** The Space Explorers fly to a new planet. When they land, they see three aliens. They are friendly. The aliens say hello. They want to play. Jim gets the ball and they play football together.

**2)** Captain Sally is driving the spaceship. They get to a new planet. They find three aliens. They are a family. The mother and the father show the baby to the explorers. It's lovely.

**3)** The Space Explorers are in a new planet. They can't find any aliens. They see a house. They look through the window. They see three aliens having lunch. They look hungry!

**- Now, read the story and draw!**

The Space Explorers fly to a new planet. They want to see aliens. They find a school. The little aliens are playing on the playground!
