Hi!

My name is Samantha and my nickname is Sam. I am nine years old and I live in London, England. I have got blue eyes and brown short hair. My favourite colour is purple and my favourite month is June. I like chicken but I don't like fish. I think it is horrible! I like playing tennis with my friends and listening to music, but I don't like watching TV, it's boring!

My house is very big and beautiful, but my favourite room is the kitchen. It is big and colourful. There is a table and there are 8 chairs. There is a fridge and there are many cupboards. There are many pictures but there aren't flowers. There is a radio but there isn't a TV. I love my kitchen!

In the picture, I am wearing my favourite green dress, a green ribbon, purple shoes and white socks. I am singing.

Sam
