ARGENTINA

Argentina is a country in South America. A part of its territory lies in the Andes mountain range in the west and it borders the Atlantic Ocean in the east. The Inca Empire invaded and conquered the territory that we now know as Argentina. European explorers arrived in 1516 and their settlement resulted in many wars which lasted for about 300 years. Argentina is the second largest country in South America, after Brazil and is constituted of 23 provinces and an autonomous city, Buenos Aires. The Hornero is the national bird and the official language is Spanish called castellano by Argentinian. Popular items in Argentine cuisine include chorizo, a spicy sausage and Dulce de Leche, a sort of milk
