## **Use of English**

1. Read the text and decide which answer (A, B, C or D) best fits each gap. There is an example at the beginning.

My wife Penny and I are recovering o weekend visitors. Don't
misunderstand me - we enjoy company and love to 1 our friends and
relatives. Fred and Kate were old friends from our college 2 So you would
think we would have a fairly 3 idea what sort of people they were, even
though we hadn't seen them for 4 years. We soon discovered,
unfortunately, that our lives had 5 very different directions. Penny and I
have two small children. Delightful but 6, they dictate the style of our life.
7 many other young couples, we find weekends are a matter of trying to
snatch a few moments of relaxation in between catching up with all the 8
Kate and Fred 9 more money than us, they work longer hours, and they
10 leisure time to be just that, leisure. The 11 tiring thing Fred
does on a Sunday is to walk up the road to the 12 newsagent. To be
13, Kate wasn't as bad as Fred.
By the time they left, Penny and I were exhausted. We'd cooked, served and
cleared up six meals without a 14 offer of help. We didn't know whether
to laugh or cry. Luckily, we 15 to laugh.
