Emily's portrait

Emily Grover is seven years old and she attends the 2nd grade. She lives with her parents and her two older brothers in Plockton village on the shores of Lochcarron; Scotland.

She has got long brown hair and green eyes. She is tall (for her age) and thin. She loves to walk through Plockton Bay and see the beautiful rocky hills in the distance. She also likes to read adventure stories and to play tricks on people. She doesn't like going shopping, she prefers a good adventure.

Her favourite animals are the butterflies, but she doesn't like flies at all. She is honest and friendly, but sometimes she is a bit naughty to her friends, because she is always playing tricks on them.

When she grows older, she wants to be a veterinarian, just like her grandfather, or perhaps a lawyer.
